

McLean County Commission Proceedings
Tuesday, May 03, 2016

The first regular May meeting of the Board of Commissioners was called to order at 8:30 a.m. by Chairperson Steve Lee. Present were Commissioners Lee, Doug Krebsbach, and Barry Suydam. Also present were Auditor Les Korgel, Deputy Auditor Kayla Oberlander, Highway Superintendent Jim Grey, and Stu Merry of BHG News Services.

Moved by Suydam, seconded by Krebsbach, to approve the minutes of the previous meeting as submitted. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None.

Highway Superintendent Jim Grey joined the meeting with a department update. He reported that graveling projects started today on County Road (CR) #6. Grey discussed putting magnesium chloride on the gravel at Wolf Creek. Krebsbach felt it should be done since it was not done last year. Lee asked if it was in the budget. Discussion followed and it was decided that Grey could make the decision. Grey was unsure of the cost per mile so he would be checking on that.

There was also discussion about the patchwork that needed to be done on CR #33. Grey had two quotes. The first quote was from Northern Improvement Company of Bismarck in the amount of \$56,167.00; the second quote was from Dakota Concepts, L.L.C. of Bismarck in the amount of \$25,200.00. The funds for this project would come from the farm to market program.

Moved by Krebsbach, seconded by Suydam, to approve the Construction Agreement with Dakota Concepts, L.L.C. for road patching on CR #33. Roll Call Vote: Aye: Krebsbach, Suydam and Lee. Nay: None. Motion carried.

Grey also informed the Commission he had requested quotes for a frontage road in Garrison. Northern Improvement Company of Bismarck quoted \$35,525.00 and Dakota Concepts, L.L.C. of Bismarck quoted \$36,750.00. These quotes were for informative purposes and no action was taken.

Grey presented the Commission with a bill from the state for the county's 5% share of \$14,575.01 for the rail signal upgrade at North Dakota #37 and CMC 2812/4th Avenue.

Moved by Krebsbach, seconded by Suydam, to approve the payment for the County's 5% share of the rail signal upgrade at ND #37 and CMC 2218/4th Avenue. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Moved by Suydam, seconded by Krebsbach, to approve the utility permit request from Scott Schonauer to install and maintain an electrical wire bore under Marina View Road from Lot 6, Lakeview Estates 5th Addition to Lot 20, Lakeview Estates 10th Addition. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Grey informed the Commission that the Highway Department is down to one tractor. Grey presented quotes from three different companies. The first quote was from Butler Machinery of Bismarck in the amount of \$92,886.00; the second quote was from RDO Equipment of Bismarck in the amount of \$102,392.17; and the third quote was from AgPro Equipment Services, Inc. of Washburn in the amount of \$79,000.00. The Commission informed Grey that he will have to advertise in the paper for bids on this piece of equipment.

Road restrictions have been lifted at the State level and Grey requested for them to be lifted at the County level as well.

Moved by Krebsbach, seconded by Suydam, to remove the road restrictions in the county as of May 3, 2016. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Korgel informed the Commission that Central Power Electric Cooperative of Minot will be putting in a transmission line from Max to Benedict. Discussion followed.

Moved by Suydam, seconded by Krebsbach, to approve the transmission line from Max to Benedict. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Korgel presented the Commission with the contract from the Supreme Court signed by the state for reimbursement for the Clerk of Court. This is a two year contract.

Korgel presented the Commission with a letter from Governor Dalrymple. The letter stated 255.6 acres owned by Robert Landgren will be deeded to the North Dakota Game and Fish Department. They will manage and maintain this land. The North Dakota Game and Fish Department will accept this transfer and pay taxes on this property as required by the State.

Moved by Krebsbach, seconded by Suydam, to approve Virginia Emineth as Election Inspector for Washburn Vote Center; Lynette Olson as Election Inspector for the Garrison Vote Center; Elaine Faudskar as Election Inspector for the Turtle Lake Vote Center; and Mary Kohler as Election Inspector for the Absentee Board. Roll Call: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Korgel presented the budget narrative report for the month of April along with the list of delinquent taxpayers owing over \$4,000.00. Property taxes are at 95% collected with the discount compared to 96% in 2015; government reimbursements including PILT, State Aid, and Coal Severance are at \$803,348.80 compared to \$1,013,112.66 in 2015; and fees and miscellaneous revenues are at \$501,831.78 compared to \$496,067.12 in 2015. On the expense side 28.29% of the budget has been expended where budget expenditures normally would be around 33.33%. Discussion followed regarding the possibility of making additional cuts to the budget in the near future.

The raffle is to help pay for expenses incurred to promote and provide entertainment for the kite festival. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.
