

**McLean County Commission Proceedings
Tuesday, June 7, 2016**

The first regular June meeting of the Board of Commissioners was called to order at 8:31 a.m. by Chairperson Steve Lee. Present were Commissioners Lee, Doug Krebsbach, and Barry Suydam. Also present were Highway Superintendent Jim Grey, Ron Wagner with Wold Engineering, Auditor Les Korgel, Deputy Auditor Kayla Oberlander, and Suzanne Werre of BHG News Services.

Moved by Krebsbach, seconded by Suydam, to approve the minutes of the previous meeting as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Highway Superintendent Jim Grey joined the meeting. He provided the commission with prices per gallon on magnesium chloride. Envirotech Services, Inc. of Randolph, MN was \$1.06 per gallon bringing the total cost to \$27,984.00. Craig's Dust Control of New Rockford was \$2.00 per gallon bringing the total cost to \$52,800.00. Grey requested permission from the commission to proceed with this project choosing Envirotech Services, Inc.

Moved by Krebsbach, seconded by Suydam, to approve the purchase of magnesium chloride from Envirotech Services, Inc. at \$1.06 per gallon. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Grey also informed the commission on the process of the gravel project taking place on County Road 6. Grey said they should be finishing soon.

Risk Manager Noelle Kroll joined the meeting to discuss refunds the county has received. The first one was from Learning Management System (LMS). This refund is for counties who participated in Workforce Safety & Insurance's LMS computer based training program in 2015. The amount of this refund was \$3,411.00. The second refund is the Premium Safety Discount for all counties that participated in the mandatory claims management and drug free workplace training programs in 2014. The amount of this refund is \$3,411.00. The third and final refund is a premium dividend credit refund. This program was implemented so if the county is successful with aggressive claims management and safety programs and practices, the county is able to control and save money on its workers compensation costs. The amount of this refund is \$5,800.00.

Moved by Suydam, seconded by Krebsbach, to approve the Special Event Permit Application from Rusted Rail for an additional race at the McLean County Speedway in Underwood on June 9. This is a make-up race due to the weather causing the race on June 2 to be cancelled. Roll Call Vote: Aye: Krebsbach, Suydam, and Lee. Nay: None. Motion carried.

Korgel presented the budget narrative report for the month of May along with the list of delinquent taxpayers owing over \$4,000.00. Property taxes are at 95% collected with the discount compared to 96% in 2015; Government reimbursements including PILT, State Aid, and Coal Severance etc. are at \$857,183.74 compared to \$1,013,112.66 in 2015; Fees and miscellaneous revenues are at \$656,264.90 compared to \$496,067.12 in 2015. On the expense side 34.79% of the budget has been expended where budget expenditures normally would be around 41.67%. Most of the expense categories are below the anticipated level for this time of year. Some exceptions would be prisoner medical at 49% and oil sealing at 66% expended. Discussion followed regarding oil prices and possible additional budget cuts to all the county departments for 2016.

Received and ordered filed the fee collection report for the month of May from the Recorder's office in the amount of \$11,496.50.

Received and ordered filed the fee collection report for the months of April and May from the Sheriff's office in the amount of \$963.94.

Moved by Suydam, seconded by Krebsbach to approve the following vouchers for payment:
