

McLean County Commission Proceedings
Tuesday, October 18, 2016

The final regular October meeting of the Board of Commissioners was called to order at 8:32 a.m. by Chairperson Steve Lee. Present were Commissioners Lee, Doug Krebsbach, and Barry Suydam. Also present were Auditor Les Korgel, Deputy Auditor Nancy Leidholm, and Alyssa Meier of BHG News Services.

Moved by Krebsbach, seconded by Suydam, to approve the minutes of the previous meeting as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Korgel presented a Highway department update on behalf of Superintendent Jim Grey who is attending the Regional Local Roads Conference in South Dakota. Korgel reported that gravelling project CNOB-2800(051) is complete; three-quarters of the mowing has been completed; the Painted Woods bridge replacement project started last Friday; and County Road (CR) 12 is in the process of being rocked.

Korgel presented the State Summary Report August 2016.

Land Use Assistant Cassie Goetz joined the meeting with recommendations from yesterday's Planning & Zoning Commission meeting.

Moved by Krebsbach, seconded by Suydam, to concur with the Planning & Zoning Commission and approve the request for a conditional use permit from Northwest Dakota Cellular of ND, LP, for land described as the NW¼NW¼ of Section 17, Township 148 North, Range 87 West, for the installation of a new cellular tower and shelter that would consist of a 199' self-support lattice tower with a 10' x 14' shelter for radio equipment and a 40' x 48' chain link compound, pending the approval of the approach. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Moved by Suydam, seconded by Krebsbach, to concur with the Planning & Zoning Commission and approve the request for a subdivision plat from Brian Goven of Mercer, for land described as the W½ of Section 27 and the NE¼ of Section 28, Township 147 North, Range 79 West, to develop a 21 lot rural residential subdivision to be known as Goven Lakeview Estates. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Moved by Krebsbach, seconded by Suydam, to approve the appointment of Debbie Dennison as Election Inspector for the Absentee Board. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Chief Deputy Auditor Lori Foss joined the meeting for the second and final reading of proposed personnel policy changes. The first one, 303 Annual Leave, changes the way leave is disbursed from a lump sum annual basis to a monthly accrual method. Under the new policy employees will begin to accrue annual leave from the first day of hire rather than waiting until the introductory period completion and leave must be earned before it can be taken. The second policy reviewed, 307 Sick Leave Benefits, shows employees beginning to earn eight hours of sick leave for each month of employment starting with the first day of employment. The third policy reviewed was 406 Overtime and/or Compensatory Time changing the cap from 80 hours to 40 hours and takes compensatory time away from exempt employees as established in the Fair Labor Standards Act (FLSA). The proposed effective date for all policies is January 1, 2017.

Moved by Suydam, seconded by Krebsbach, to approve the changes to personnel policy 303 Annual Leave as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Moved by Krebsbach, seconded by Suydam, to approve the changes to personnel policy 307 Sick Leave Benefits as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Moved by Krebsbach, seconded by Suydam, to approve the changes to personnel policy 406 Overtime and/or Compensatory Time as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Sheriff J. R. Kerzmann, Chief Deputy Sheriff/E-911 Coordinator Richard Johnson, Assistant Jail Administrator Wade Krohmer, Administrative Assistant II Casey Howe, Garrison City Attorney Jim Wilson, Garrison City Judge Matthew Zimney, Garrison Mayor Shannon Jeffers, and Garrison City Council members Paul Schlichting and John Matthews joined the meeting to discuss the police contract between the county and the city of Garrison.

Wilson stated that the city is concerned that their ordinances are not being enforced. Lee explained that deputies have a limited number of hours within the city and have made burglary and drug arrests and questioned whether they wanted those arrests made or the ordinances enforced. Zimney and Wilson both stated that statutorily the Sheriff's department has to provide those services and that the contract is for the additional service of enforcing the city's ordinances. Krebsbach told the city representatives to gear up for a new department in your town. Kerzmann stated that ND Century Code states that the ordinances would fall under the duty of the mayor and suggested pulling the contract with the city of Garrison.

States Attorney Ladd Erickson joined the meeting.

Lee went on to say that if the city wants someone to drive around and mark tires maybe they want to reduce the contract and hire their own deputies. He also explained that with no contract, there would still be law enforcement, but there would be less presence within the city. Erickson feels the city does not understand law enforcement and what the Sheriff is trying to accomplish and stated that the Sheriff should decide if the county contracts with the city. The county does not need the contract and he advised not to issue a contract to Garrison. He went on to explain that if there was no contract there would be no patrolling; it would be strictly reactionary coverage instead of proactive policing. Jeffers would like to see the noise ordinance enforced, while Schlichting suggested removing the ordinances from the contract entirely. Lee affirmed that law enforcements purpose isn't to write tickets; presence reduces crime and having deputies in town for 20 hours a day does that. After much discussion, Kerzmann agree to attend Garrison city council meetings on a quarterly basis to update them with what the department is doing in their town.

Casey Howe presented the 2017 contract with the North Dakota Department of Transportation (NDDOT). The Sheriff's department has been awarded \$4,300.00 for the enforcement of Occupant Protection and \$7,300.00 for Impaired Driving. She explained that the deputies work either enforcement on scheduled time frames given by the NDDOT.

Moved by Krebsbach, seconded by Suydam, to approve the 2017 contract with the NDDOT as submitted. Roll Call Vote: Aye: Suydam, Krebsbach, and Lee. Nay: None. Motion carried.

Jail Administrator Wade Krohmer and Chief Deputy Sheriff Richard Johnson requested permission to advertise for another jailer/dispatcher, acknowledging that the county has implemented a hiring freeze. Lee explained that money is very tight and wonders if this position is necessary as he is concerned about the financial condition of the county. Johnson stated that when the jail is at full capacity three jailer/dispatchers are needed on each shift, while Krohmer explained that emergency services is 24/7 and different than a courthouse position, adding that the position is in their budget. Korgel explained that the budget line item is ok but the cash flow is not. Suydam suggested advertising for the position, with the position to begin on January 1, 2017.

Moved by Suydam, seconded by Krebsbach, to approve the advertising for a jailer/dispatcher position with that position to begin on January 1, 2017. Lee commented that cash flow will be better at that point but is still concerned for the entire year. Krebsbach questioned Korgel if the jail makes money. Korgel responded that it reduces the cost of the law enforcement center operations. Roll Call Vote: Aye: Suydam, Krebsbach. Nay: Lee. Motion carried.

Johnson requested to continue overtime for jailer/dispatchers. Lee feels there has to be a way to set up a schedule to avoid overtime as overtime is an exception; and wondered if this had been figured into the 2017 budget or if it is on top of that. He requested that Johnson get together with Chief Deputy Auditor Lori Foss to put some number together as the county needs to be fiscally tight. Suydam stated that the overtime should've been included in the 2017 budget. Both Johnson and Krohmer were under the assumption that overtime was a permanent option for the department to which Korgel responded that county policy states that the commission determines if overtime is allowed. Krohmer added that there is money in their budget for it. Korgel stated to forget the budget number, it's the cash on hand. Lee proposed continuing the overtime for 30 days so numbers can be put together.

Sheriff Kerzmann rejoined the meeting to request approval of a \$3,500.00 shipping fee expenditure to have a Mine Resistant Ambush Protected (MRAP) vehicle delivered to the department through the 1033 Program which permits the Secretary of Defense to transfer, without charge, excess U.S. Department of Defense personal property to state and local law enforcement agencies. The Sheriff's department is responsible for paying for the shipment and storage of the equipment acquired. Lee questioned the ongoing costs and insurance. Korgel stated that the county couldn't insure the one we had before as it couldn't be licensed. Erickson feels it looks a bit militarized and doesn't know how the public will view it, but the price is right and we could get a lot of use out of it. Krebsbach suggested taking the \$3,500.00 out of the Drug Forfeiture account and if the public hates it and it's not getting used it can be sent back, adding if it saves one life it's worth it.

Moved by Krebsbach, seconded by Suydam, to approve the \$3,500.00 shipping fee expenditure from the Drug Forfeiture account to have the MRAP vehicle delivered to the Sheriff's department on the condition that it's licensable. Roll Call Vote: Aye: Suydam, Krebsbach. Nay: Lee. Motion carried.

Moved by Suydam, seconded by Krebsbach, to approve the following vouchers for payment:
